## WIN EURASIA fairs merge in 2018

WIN EURASIA Automation 2017

WIN EURASIA Metalworking 2017

### 25<sup>th</sup> International Integrated Automation, Motion & Drives Fair

*Otomasyon EURASIA* teams up with *Hydraulic & Pneumatic EURASIA* to form *Integrated Automation, Motion & Drives EURASIA (IAMD)* as 2018. Now, 2 in 1. Developments on cross sector collaboration, networked thinking and digitally integrated product trends are underlying logic of that merger. IAMD EURASIA will feature the full range of industrial automation, transmission and fluid power solutions for smart, connected components and solutions. Thanks to its size and significance, IAMD EURASIA will be the premier platform for investors and decision-makers. At IAMD EURASIA you can showcase your innovations to optimum effect.
